

**REMARKS/ARGUMENTS**

Claims 1-3, 5-9, 13-20, 22-26 and 30 are now pending in the present application. Claims 10-12, 27-29 and 31 have been cancelled herewith. Applicants request entry of this amendment after final as placing this case in condition for allowance.

**I. 35 U.S.C. § 112, 1<sup>st</sup> Paragraph**

The Examiner rejected Claims 10-12, 27-29 and 31 under 35 U.S.C. § 112, first paragraph as failing to comply with the enablement requirement, where the Examiner states that preventing of viruses dynamically during a synchronization is not supported in Applicant's Specification. This rejection is respectfully traversed.

While Applicants do not agree or admit that this rejection is proper, and in fact is improper as synchronization is described in the Specification at page 3, line 1 et seq. and page 10, line 5 et seq., Applicants are in any event cancelling these rejected claims without prejudice or disclaimer such that this case can expeditiously pass to issuance.

**II. Allowable Claims**

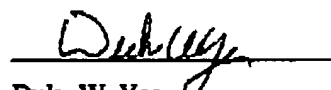

Applicants graciously acknowledge the allowance of Claims 1-3, 5-9, 13-20, 22-26 and 30. As these claims are the only claims now remaining in this application, this case is now in condition for allowance.

### III. Conclusion

It is respectfully urged that the subject application is now in condition for allowance. The Examiner is invited to call the undersigned at the below-listed telephone number if in the opinion of the Examiner such a telephone conference would expedite or aid the prosecution and examination of this application.
